

Minnesota Lamb and Wool Producers

Spring Workshop Saturday May 4, 2024

Program (Starts at 1:00 PM):

Sheep 101: General Animal Health

Hoof Trimming

Parasite Management

Sheep Shearing Demonstration:

Animal Care

Wool Handling

Tips for Improvement

Lamb Shoppe Tour:

Marketing Lamb

Knowing our Consumers

Health and Wellness

*MN sheep leaders will offer expert tips on sheep production from animal health and care to parasite management and hoof trimming. Learn from seasoned producers through Q&A on topics important for success.

*Doug Rathke, is a veteran shearer who knows the art of shearing, and is an acclaimed teacher. He has shared his craft with hundreds and represented USA at international shearing competitions.

*The Lamb Shoppe is a mother-daughter team, Connie & Clara. Since opening in 1996, as a retail venture selling 100% grass-fed lamb, it has now evolved to focus on empowering health and wellness for their customers.

Workshop Date: May 4th at 1 PM to 5 PM

Location: The Lamb Shoppe, 61231 Hwy 7 West, Hutchinson, MN 55350
