Speaker: Dallas Mount is owner of Ranch Management Consultants (RMC), home of the Ranching for Profit School and the Executive Link program. Since 2019, Dallas has worked with hundreds of ranchers across the US, Canada, and Australia to position businesses for economic profit and ecological health.

After 18 years with University of Wyoming Extension, Dallas began teaching Ranching For Profit School in 2012, quickly becoming an elite instructor. He holds a BS and MS from Colorado State University and has experience in cow-calf, feedlot, yearling, haying, and grazing operations.

Dallas and his wife Dixie manage a grazing operation near Wheatland, WY. RMC is focused on profitable businesses, healthy land, and happy families.
